Press Release

MIT SECURES NEW ORDERS TOTALLING S\$5.5 MILLION

Singapore, 4 September 2017 - The Board of Directors of Manufacturing Integration Technology Ltd (the "Group") is pleased to announce that the Group has recently secured new orders totaling S\$5.5 million for its semiconductor equipment and contract equipment manufacturing services.

These orders are expected to be fulfilled by end of 2017 and will contribute positively to the financial performance of the Group for the second half of the financial year ending 31 December 2017.

None of the Directors or controlling shareholders has any direct or indirect interest in these transactions.

About Manufacturing Integration Technology Ltd ("MIT")

Incorporated in 1992 and listed on the Singapore Exchange's Mainboard since 1999, MIT is a leading provider of integrated automation solutions to the semiconductor industry worldwide. Its range of high-end equipment include wafer level die marking, sorting and inspection systems. It has also entered into the renewable energy market by producing its proprietary range of solar panel manufacturing equipment for the PV market. The Group has furthermore diversified its business to provide contract equipment manufacturing and precision engineering services to the broader markets with a manufacturing footprint in Shanghai, China.
